

BERKSHIRE GARDEN TRUST'S

THE SAVILL GARDEN LECTURE AND GARDEN VISIT

Wednesday 15th April 2026 at 10am

**'A Garden for all Seasons' talk by John Anderson,
Keeper of the Gardens at the Savill Garden
Followed by a guided tour of Savill Garden**

We are delighted that John Anderson will be giving us a talk at Savill Gardens about the Gardens. He is a highly respected horticulturist whose career began with training at the National Botanic Gardens in Dublin and the Royal Botanic Gardens, Kew. His expertise and dedication led to senior roles as Head Gardener at Mount Usher Gardens in Ireland, Inverewe Gardens in Scotland, and Exbury Gardens in Hampshire. John's contributions to horticulture have been recognised with the prestigious RHS Veitch Memorial Medal, awarded for advancing the science, art and practice of horticulture.

Beyond his leadership roles, John is deeply involved in the wider horticultural community. He serves on the RHS Woody Plant Committee, contributes to national arboreta advisory groups, and acts as a trustee for several organisations including TROBI, the National Oak Collection and the Royal Windsor Flower Show. A passionate plantsman, he travels extensively to China, New Zealand, South Africa, Chile and Europe amongst other places to see plants in their natural habitats and lectures internationally on topics ranging from alpine plants to global plant exploration.

Resting within Windsor Great Park, The Savill Garden is a 35-acre haven of ornamental gardens, woodlands and seasonal displays. The garden was created by Sir Eric Savill in 1932 and is Grade I listed on the Register of Historic Parks and Gardens.

In 2016, John became Keeper of the Gardens at Windsor Great Park, where he oversees The Savill Garden, Valley Gardens and the private gardens at Frogmore House. His responsibilities include managing ten National Collections and hundreds of Champion Trees. He plays a key role in major treescape renovations and sustainability initiatives across the Royal Estate.
