

BERKSHIRE GARDENS TRUST'S SPRING LECTURE 2026

Tuesday 17th MARCH 2026 from 6.30pm onwards with light refreshments
PURLEY SMALL BARN, PURLEY, RG8 8DR

RE-DESIGNING YOUR HISTORICAL GARDEN

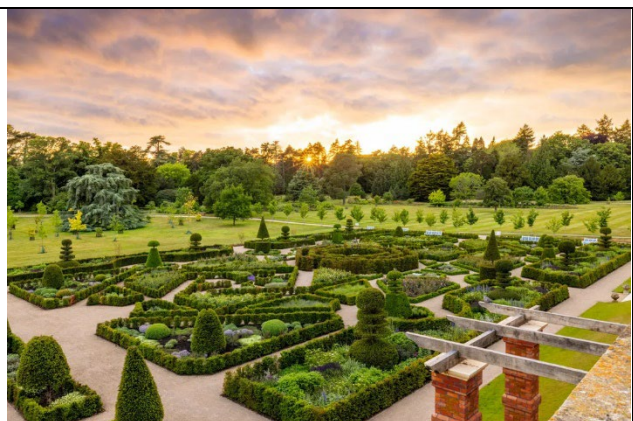

In the wonderful old Purley Small Barn, Adam Scott, Windsor Castle and Bagshot Park Garden Manager, will talk to us about his work and the history of how monarchs through the ages have influenced the garden design.

Following His accession to the throne, His Majesty King Charles has swiftly implemented his vision for the rejuvenation of the Grade 1 listed Royal Gardens at Windsor Castle and also at Sandringham House.

Adam will highlight a year across the gardens and how monarchs through the ages have influenced the garden design; how the East Terrace recently developed into the Venus Garden, from a hand drawing to reality; and how Adam has interpreted and implemented this redesign, of both private and public space.
